Portfolio:

I am currently attending Ulster University; I am studying Game Design and Development BSc (hons). I am a hardworking and dedicated individual eager to learn and advance my skills. I have the ability to work individually or collaboratively with leadership skills that allow me to delegate my peers based on skill sets. I am enthusiastic about developing my technical skills and building a long-term career within the gaming industry.
I have an interest in story writing, audio design; sound effects, and voice work. I've also got an interest in 3D modelling and animation, coding in C#, and level design. I have experience in large scale projects, developing projects of a high quality.

Soft skills

- Problem solving, can analyze a situation and provide a solution.
- Communication, and teamwork, can talk with members of my team or supervisors to ascertain the tasks at hand, how to handle them and how to separate tasks.
- Individual work, can confidently work alone and set tasks for myself and deadlines and work towards them
- Project management skills used platforms such as Miro, Trello Microsoft planner Microsoft teams to organise my workload and plan the outcome from start to finish

WORK EXPERIENCE

HENDERSON'S, SPAR, POST OFFICE CLERK
31st January 2026 – PRESENT

Handle parcels coming in and out of the post office. Help customers with governmental fees such as MOT and car insurance and help customers with passports and driving licenses. Keep workspace tidy and clean and parcels and letters organized. Help customers set up custom checks when sending letters and parcels outside of the UK.

SMYTHS TOYS SUPERSTORE, SOFTWARE ASSISTANT
12th September 2025 – 21st January 2026

Handled cash. Organized deliveries and placed items onto shelves or canopies if shelves are filled. Served customers and advised them on the best products for their needs and the specs of the products they are interested in.

CENTRA FILLING STATION, DELI SUPERVISOR
22nd June 2025 – 10th September 2025

Cooked and served fresh food. Stocked the kitchen and kept the kitchen tidy. Recorded dates of food and discarded out of date food. Dealt with deliveries and put the stock away into the appropriate sections, freezer, chiller and shelves.

OTHER EXPERIENCE

ARMY CADETS 2007-2013
In the army cadets I reached the rank of Sergeant, and I attained a 4-star ranking. At the cadets I learned many skills. I learned how to sew, polish boots, and how to keep everything tidy and in order. I also learned how to lead a squad, using tactics to achieve goals set out to us. I also learned how to properly follow a leader and execute commands.

PRINCES TRUST THALES NOV 2018

At Thales, I carried out many duties, including carrying out functionality, conditioning, and pressure testing on electronic components. Operated test equipment to measure electrical performance encoder boards and conducted durability checks including vibration and temperature tests. Gained firsthand experience in engineering processes and quality standards.

HOBBIES

I like to play piano and make my own music
Football, play 5 aside three times a week
Gaming, enjoy RPG'S, Platformers and turn based games.
Golf, play golf when the weather permits
Tennis, play at local leisure center
Table tennis, I also play at the leisure center
Gym, three times a week
I am studying Japanese in my spare time
